

BUCKS COUNTY COMPREHENSIVE PLAN SURVEY 2010

The Bucks County Planning Commission is updating the County Comprehensive Plan. The plan update will provide a guide for planning the direction of the county. The plan addresses many issues that impact our quality of life such as agricultural preservation, natural resource protection, transportation, housing, economic development, recreation, and community services. The County Commissioners and Planning Commission would like to have your opinion about these issues. Please take a moment to help us shape the future of Bucks County by completing the survey below and returning it to us at the address listed on the reverse side or you may take the survey at the County's website: www.buckscounty.org/compsurvey.aspx
