## *Tullytown Borough Town Watch*

### **WHAT IS TOWN WATCH?**

TOWN WATCH is a Crime Prevention program that involves citizens working with each other and with law enforcement agencies to reduce crime and victimization in their community.

It involves:

1. Citizens protecting themselves and their property by using common sense crime prevention practices.
2. Neighbors getting to know each other, watching out for each other and reporting suspicious activities.
3. Citizens working with groups, community leaders, and, more importantly, law enforcement agencies to make the entire community safe and free from crime.

# TOWNWATCH MISSION OBJECTIVES

1. To help deter and reduce crime and undesirable behavior in our neighborhoods, while improving the daily safety of citizens residing within the borough.
2. To help improve the quality of life within Tullytown Borough, while raising civic pride, awareness, and respect in our community.
3. To aid and lawfully support law enforcement personnel in policing our borough by providing pertinent supplemental information to law enforcement.
4. To not hinder or interfere with any law enforcement personnel lawfully engaged in the performance of their duties or engaged in an investigation.

## **Work together with your neighbors.**

Watch out for suspicious and unusual behavior in your neighborhood. Like graffiti, abandoned cars, drug activity, and other such nuisance acts that lower the quality of life in the area. Neighbors should be alert, observant, and caring—and to report suspicious activity or crimes immediately to the police. You should never confront a suspicious person or criminal, rather report it to the police immediately. Get to know your neighbors and their children so you can look out for one another.

Because law enforcement officers cannot be on every street corner, citizen involvement is necessary to combat crime. You and your neighbors are the ones who really know what is going on in your community. By cooperating with each other and with the police, citizens can help fight crime in the most effective way – preventing the victimization of themselves, their families and friends. Residents are extra eyes and ears for the police. You are the key element in fighting crime. **Get Involved!**

**\*\*REMEMBER:** Criminals gravitate to places where they feel safe and secure. They avoid neighborhoods where they are likely to get caught. When they are neither wanted nor welcome, they go someplace else.

## **Security Tips**

### **MAKE YOUR HOME LOOK OCCUPIED**

Leave some lights and a radio on when you're out.

### **LOCK YOUR DOORS**

Never leave your house open for "just a moment," always lock your doors when you're out.

### **USE DEADBOLT LOCKS**

A deadbolt lock is a good deterrent to burglars.

### **DON'T HIDE A KEY OUTSIDE**

Burglars know all the secret hiding places.

### **DRILL AND PIN YOUR WINDOWS**

Window locks can be jimmied; pins cannot.

### **BRACE SLIDING GLASS DOORS**

If the door is braced, the only way a burglar can get through it is to break it.

### **INSTALL GOOD EXTERIOR LIGHTING**

Motion sensor lights and other good lights don't let a burglar hide in the dark.

### **KEEP BUSHES AND SHRUBS TRIMMED**

If bushes are too high, someone hiding near your windows and doors cannot be seen.

### **STOP MAIL AND PAPER DELIVERIES**

If you go on vacation, stop deliveries or have one of your neighbors collect your mail and papers.

### **INSTALL AN ALARM SYSTEM**

Houses with alarms are avoided by burglars.
